Since then, the Chicago Manual of Style has become a highly regarded and widely used Style Manual for writing, editing, and publishing. It provides rules for organization, grammar, punctuation, spelling, and style, and includes examples of the correct use of each rule. The Manual is updated periodically to reflect changes in language use and to incorporate new ways of communicating, such as social media. This update is the 15th Edition, and it includes new content and revised rules to ensure accuracy and relevancy.
The examples show how to write references in-text and in reference lists based on the Chicago style is gathered from the Chicago Manual of Style.
